Dear Member:

This letter is to inform you that **Huntington Beach Hospital** is no longer a participating provider in Anthem Blue Cross' network, **effective September 15, 2008**.

Anthem Blue Cross physicians who admit to Huntington Beach Hospital have been notified of this development and will arrange for admission of Anthem Blue Cross and Anthem Blue Cross Life and Health Insurance Company members to alternate facilities. To check the participating status of Anthem Blue Cross facilities, please consult Anthem Blue Cross' website at [anthem.com/ca](http://anthem.com/ca). A partial list of alternate, contracted facilities includes:

- Fountain Valley Regional Hospital and Medical Center
- Hoag Memorial Hospital Presbyterian
- UCI Medical Center
- Coastal Communities Hospital

If you are pregnant, currently undergoing a course of treatment, or if you have a current authorization for health care services, you may be eligible for transition assistance to ensure continuity of care. Please call our toll-free telephone number on your identification card. An Anthem Blue Cross Customer Service representative will be happy to assist you.

If you have been receiving care from a health care provider, you may have a right to keep your provider for a designated time period. Please contact the Anthem Blue Cross customer service department, and if you have further questions, you are encouraged to contact the Department of Managed Health Care, which protects HMO/PPO consumers, by telephone at its toll-free number, 1-888-HMO-2219, or at a TDD number for the hearing impaired at 1-877-688-9891, or online at [www.hmohelp.ca.gov](http://www.hmohelp.ca.gov).

Your enrollment in your Anthem Blue Cross or Anthem Blue Cross Life and Health Insurance Company plan remains the same and is not otherwise affected in any way. If you receive a bill from Huntington Beach Hospital for services rendered prior to September 15, 2008, please do not pay it. Rather, please contact Anthem Blue Cross at the toll free number on your ID card, so that it may be handled appropriately.

Your health care needs are very important to us, and we are committed to providing you with exceptional service. Please be assured that your health care coverage will not be interrupted and that this termination will not result in a change to your covered benefits.
